Dear Perspective Candidate,

Pathway to Hope Pregnancy Care Center is a nonprofit serving Hamilton, Ohio and surrounding communities. Pathway to Hope began as a vision of two women, Vi Walgand and Ann Connaughton back in 1993 to serve and love women with life affirming solutions and care. From its humble beginning of ministering out of small offices and borrowed facilities, to what is now a God-provided, modern, state of the art facility, we seek to provide free resources, accurate information and ongoing support for women and men facing unexpected pregnancies with lasting hope. By pursuing such love and service, we seek to create a culture where LIFE is the only choice.

For those who wish to be considered for the Executive Director's position, please fill out the attached application and return it along with your resume and cover letter to [hiring@pathwaytohopepcc.org](mailto:hiring@pathwaytohopepcc.org). If you have any questions, you may submit them to that same email address. We ask that you pray along with us as we seek God's person for this position.

Sincerely,

*Rev. Brian K. McManus*
