REPORT

2023

# *vision*

CREATE A CULTURE OF LIFE IN OUR COMMUNITY THAT IS SO STRONG THAT ABORTION BECOMES UNTHINKABLE REGARDLESS OF LEGALITY.

# *mission*

PATHWAY TO HOPE IS CALLED TO CREATE A CULTURE WHERE LIFE IS THE ONLY CHOICE – THROUGH TRUSTING AND COMPASSIONATE RELATIONSHIPS, EQUIPPING INDIVIDUALS WITH RESOURCES, AND STRENGTHENING DIGNITY.

# LETTER FROM THE *executive director*

Dear Ministry Partner,

In my early years of pregnancy center training, a mentor said to me: “God does not call the equipped. He equips the called.” Fourteen years later, God affirms to me daily that He will accomplish the work of pregnancy center ministry – *through the staff, volunteers, and donors* whom He has called.

In the current culture, the battle to preserve preborn life and advocate for women, men, and children is much harder, yet God strengthens and equips. Because of faithful partners, fiscal year 2023 positioned Pathway to Hope for tremendous future growth. We are excited to see how God will continue to fulfill our Mission!

Thank you for your support!

Serving Christ Abundantly for Life,

# LETTER FROM THE *development director*

Dear Supporter for Life,

Every time I am in the community or sharing our ministry in our partnering churches, I recall when God first called me to Pathway to Hope. I knew what he could do through me if I answered the call, but I didn't know what he would do in my own heart. This is the heart-cry of the men and women who work and serve here.

As we focus on the year ahead, we look forward to continuing to provide free services to the women and men in our community, including pregnancy testing, limited ultrasounds, parenting programs, along with emotional and spiritual support. With God's leading, we will gain more volunteers with a passion for life and continue to provide hope to the men and women facing an unexpected pregnancy.

Thank you for standing with us as we work to *create a culture where life is the only choice.*

# STORY OF *hope*

A person is shown from the chest up, wearing a light-colored sweater, holding several ultrasound images. The images are slightly out of focus, showing fetal profiles. The background is a soft, light blue and white gradient.

Jill scheduled an appointment with us. She wanted to confirm her pregnancy. She stated to our sonographer that she was considering abortion. She had never considered it before, but she was so afraid to put a child in danger of suffering the same things that she herself was suffering. She was willing to abort rather than allow that to happen. After the ultrasound, she said that the baby was much more real to her now.

With the presence of actual arms and legs, she really couldn't consider abortion any longer. Through love, grace and compassion, Team Hope rallied around Jill walking out her pregnancy with her.

We seek to **L.O.V.E.** the women and men who walk through our doors by Listening to their story, explaining their life-affirming Options, giving them a new Vision for the future, and Empowering them to make Godly decisions. We offer free obstetrical ultrasounds, maternity and baby clothing and accessories, Father Services, parenting programs, and community resources. We look forward to a day when abortion is unthinkable and life is valued and honored.

Pathway to Hope taught us to become the best parents we could be. The classes we each took were helpful and showed us what to expect. We are so glad we found Pathway and decided to come here.
